Hunter Support Program

The hunter support program purpose is to provide and share traditional Niqipiaq (eskimo) food with Kotzebue Residents.

To participate you must be a Kotzebue Resident and all hunters are required to complete a program report for participation and must be signed and verified by an elder who received a share of the hunt and return report to Kotzebue IRA.

Hunters who filled out the application are limited to one drum of gas each for spring marine mammal and caribou hunt. Limited 15 gallon of gas for winter or spring duck hunting season and summer berry picking and fishing. Depending on funding ammo and oil may be provided.
